

COVID-19 UPDATE-LOBBY IS CLOSED

Due to the recent pandemic, we have decided to close our lobby. We are taking these steps to help protect not only our staff, but our clients as well. We are still here and fully staffed to help with all your insurance needs. We ask that you please call us at **507-334-5850** and we can help you over the phone with anything that you need. If you must see Barry or Jason, it will be by appointment only. Call us and let us know you are here, and they will come get you.

For payments, we are strongly urging everyone to make a credit/ debit card or EFT payment over the phone. If you absolutely cannot make a payment via these methods and must use cash, call us and tell us you are here with a cash payment and someone will meet you at your vehicle to take it. *Just know, there will be no change given to limit the interaction. The amount you give us will be the amount applied to your policy.*
